Directions to order a C potency remedy:

- type the name of your remedy in the search box on left side and click search
- if a list of remedies with that similar name came up click on your specific remedy
- on this page you just need to click the order button
- next under potency range use the arrows to select C aus C3 trit.
do not select just C unless you are specifically advised of this because mostly I recommend C aus C3 trit potency
- under potency step select your desired potency. example: 30, 100, 200 etc.
- under form and size of unit use arrows to select Globuli 1g
- make sure 1 is selected under number of units if you want only one of this item
- click add to cart
- if you are finished you can click proceed to checkout, but if you want to order another remedy put remedy name in the search remedy box on this page and continue.
